The Theater.

Last night there was a good audience at the Memphis Theater to witness Soldene and her oupe in the opera of Poulet and Poulette. The performance was good throughout, and afforded much pleasure to the audience. Soldene is winning additional popularity among the citizens of Memphis, by reason of the meritorious entertainments she affords the lovers of amusement. Her opera bouffe mpany is an excellent one, and we hope will be greeted by a large audience every night during the week. To-night Soldene appears as "Mariette" in Madame L'Archiduc, and to-morrow night as "Drogan" in Geneviere de Brabant. The extravaganza entitled Trial by Jury is announced for the matin

PROPRIETARY MEDICINES

DR. CHANDLER, F.R.S.A., Late Physician to St. George's and St. Bartholo-mew's Hospitals, London, Curstor to St. Elizabeth's, etc.

After years of the most laborious research and investigation, and after the practical application in treatment to thousands of patients, Geo. Chandler, A.M., M.D., now presents to the American public the following remedies, his sole discovery and property, the efficacy of which is attested in the voluminous quantity of testimonials, the unsolicited afterings of suffering and discouraged patients, who have not only received relief and benefit from their continued use, but have been radically cured of allments and chronic complaints, which have been adjudged by the most eminent physicians as hopeless.

THE WONDERFUL EGYPTIAN BLOOD-PURIFIER.

HEMAR.

This incomparable DEPURATIVE is a powerful ALTERATIVE, TONIC, DI-URETIC, DIAPHORETIC, and APERI-ENT, combining virtues which render it invaluable and never-failing, and by its continued use will thoroughly eradicate all diseases of the blood. Its ingredients are of a purely harmless extraction, the products gathered from remote Egyptian Provinces, and where there is the slightest taint of disease in the system, it never fails in ejecting that disease through the medium of the skin, or expelling it through the many and various channels of the body, thereby allowing, and, indeed, forcing all the organs into their proper normal and functional condition. A very brief space of time will convince any putient using it, of its undoubted reliability and wonderful curative properties, it being, most unquestionably, the very acone of medical triumphs, and the greatest discovery of the present age, in the treatment of every discass where the blood itself is pringwilly the seat of the lesion or disorder, such as SCROFULA and the thousand and one werful rejuvenator, causing the For CUTANEOUS DISEASES, URINARY DISORDERS, CONSTIPATION OR

DYSPEPSIA.

GASTRON. GASTRON is a safe, speedy, and post-tive cure for that most depressing of all-ments, and a brief course of treatment will restore the digestive organs to their pris-tine strength, and promote the healthy action of the stomach and intestines. The nervous irritability of literary and all persons pursuing a sedentary life, is speedily removed by this agent. The stomach is restored to health and the key-note of the system will once more respond

note of the system will once more respond in the performance of labor. Price, One Dollar, in large bottle, or six bottles, \$5. BRONCHITIS AND LUNG AFFECTIONS.

TRACHEON.

A slight so-called cold will oftlimes lead to a serious cough, which, uncared for or badly treated, must have but one result—it must eventuate in a settled case of BRONCHITIS, or what is worse, the deadly CONSUMPTION. To all suffering from harassing cough and expectoration, TRACHEON offers a sound, reliable, and permanent relief. It augments expectoration, and enables the patient to expet that terribly soptic deposit, which, if left without judicious treatment, must communicate its poison to the vesicular substance of the lung, degenerating and destroying that most essential of organs, and ultimates only in an early and untimely death. TRACHEON has no equal, much less a superior, and its use will not only remove the deposit, thereby affording great relief, but heals the membrane and leaves the patient in possession of healthy lung tissue.

Price, Fifty Cents per bottle, or six bottles, \$2.50.

PILES. Hemorrhoids.

PILON.

Many causes tend to produce this painful and distressing state. The blood is retarded in its return; the too frequent use of drastic purgatives tends to produce congestion of the bowels, torpid action of the liver, and numerous other causes are the source of this complaint, and hitherto nothing effectuat has been presented to the public, which would rapidly alleviate symptoms and ultimately prove an effective cure. In PLLON we have a remedy which not only acts almost instantly, but will remove the largest tumors of the parts (Piles) by absorption, and many who have received not only benefit, but have been radically cured, have been assured prior to using this treatment) by curiment surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procedure which necessituted the knife. This remedy has been hailed with delight, and is now prescribed by many practising physicians, who are cognizant of its meritis, as the only known sure cure for PILES.

Price, Fifty Cents per package, or six for \$2.50.

THE ABOVE REMEDIES ARE thorough in the eradication of the different and various maladies denominated, and are the result of patient, searching, laborious, and scientific investigation, embracing a period of many years, in Europe and America.

If the specific directions are complied with, thousands of patients will bear witness to their relative merits, and corroborate every assertion. Where there are many complications of disease, and patients so desire, DR. CHANDLER will be pleased to give all information, and treat by letter if necessary.

Descriptive and Explanatory Circular of the above remedies sent on receipt of stamp. If the PROPRIETALY IN MEDICINES are not on sale at your particular druggist's, send orders to DR. CHANDLER, 1479 Broadway, New-York City.
